

**Partnering to Achieve Rural Emergency Preparedness:
A Workbook for Healthcare Providers in Rural Communities**

I.	<u>Executive Summary</u>	1
II.	<u>Introduction and Overview</u>	3
	Introduction	3
	Target Audience	4
	Outcomes of Using this Workbook	5
	Why Collaborative Planning?	6
	Rural Health Perspective: Challenges and Benefits.	7
	Rural Challenges and Limitations	7
	Rural Benefits and Assets	9
	What is an All-Hazards Approach?	11
	Workbook Format	12
III.	<u>Overview of Emergency Management Structure</u>	12
IV.	<u>Collaboration with Partners</u>	18
	Outreach to Partners.	18
	Local, Regional and State Response	21
	Stakeholder Listing	22
	Partnering with local, regional and state level planning efforts	22
	Collaboration Guidelines / Tips	25
	Working with First Responder Agencies	25
	Working with Community Organizations.	29
	Keys to Success.	32
	Other Tips and Guidelines	33
	Tips for Overcoming Conflict & Mistrust	34
	Models for Collaboration	35
	Collaboration Resources	39
V.	<u>Prevention (Mitigation)</u>	40
	Hazard Vulnerability Assessment	40
	Clinic Readiness Assessment	41
	Disease Surveillance / Reporting	42

VI. <u>Preparedness</u>	43
Community-wide Planning and Plan Integration	44
Rural Healthcare Organization Response Roles / Staff Role Assignments	45
Staff Education and Training	46
Communications	50
Redundant Communications System	50
Internal Notification	50
Communication with the Public	51
Finding and Reaching At-Risk Populations in an Emergency	53
Triage	55
Surge Planning	58
Continuity of Operations	58
Alternate Healthcare Site	61
Point of Distribution Site	62
Security	64
Volunteers	65
Psychological Health Issues (Behavioral Health Disaster Plan)	69
 VII. <u>Response</u>	 71
Plan Activation	71
Communications	73
Communication with Staff	73
Communication with Media	73
Communication with Public	74
Communications with Patients and Family Members	74
Healthcare Operations	75
Triage	75
Increase Surge Capacity	78
Patient Tracking and Transportation	78
Infection Control / Decontamination	82
Isolation / Quarantine	82
Laboratories	83
Legal, Liability and Ethical Considerations	84
Financial Tracking	87
Resource Acquisition	87
Security	88
Psychological Health for Patients and Staff	89
Volunteers / Donation Management	91

VIII.	<u>Recovery</u>	92
	Maintaining Financial Viability	92
	Employee and Patient Support System / Referrals	93
	Resumption / Restoration of Operations	94
	After Action Report	95
IX.	<u>Special Considerations in Pandemic Influenza Planning</u>	96
X.	<u>Resources</u>	106
	Emergency Preparedness Acronyms	107
	Preparedness Glossary	112
	Emergency Management Websites	122
	Emergency Management Publications	124
	Funding Resources	126
	Listing – Emergency Management Agencies and Resources	128
	Listing – National and State Rural Health Associations	135
	Listing – State Offices of Rural Health and Resources	136
	Listing – Rural Health Clinic Associations and Resources	141
	Listing – Community and Migrant Health Center Associations and Resources	141
	Listing – Rural Hospital Resources	141
	Listing – Community Health Worker / Promotora Associations and Resources	142
	Listing – State Primary Care Associations and Resources	144
	Other Rural Resources	151
	Appendices	152
Appendix A	Stakeholder Contact Listing	
Appendix B	Memorandum of Understanding Template and Guidance	
Appendix C	Hazard Vulnerability Assessment	
	Hazard Surveillance Form	
	Structural and Nonstructural Hazard Mitigation Checklists	
Appendix D	Clinic Readiness Assessment	
Appendix E	Listing: Nationally Notifiable Infectious Diseases (CDC)	
	Biological Agents	
Appendix F	Clinic Response Roles and Requirements	
	Emergency Response/Recovery Team Job Action Sheets	
Appendix G	Staff Call List	
Appendix H	Family & Community Disaster Planning Resources (American Red Cross)
